Dear Parents,

Greetings from Navrachana!

Hope you all are doing well.

It is a big relief that the lockdown period has come to an end in most parts of India now.

As you are aware, we have initiated the process of online classes and after the summer vacation, we are planning to resume the classes from Thursday, 11th June, 2020.

We thank all parents who have paid the fees during the lockdown period. Those who have not paid yet are requested to take note of the following:

As instructed by the Department of Education, Government of Gujarat, please be informed that

1. Lockdown period, as was envisaged by the Government, comes to an end on 31st May, 2020. We request all parents to pay the outstanding fees.
2. For outstanding 1st quarter fees, if you are in serious financial difficulties due to Covid 19 outbreak, the School is willing to offer you the facility of payment of fees in instalments. To avail this, please write to the School at navrachanasama@navrachana.edu.in
3. All parents are requested to please pay the School fees regularly considering it as their duty towards the School which they have entrusted their children's education with.
4. The Fee details along with the modes of payment has already been communicated to you. Kindly find attached the difference of fees as per FRC order dated 20/03/2020 for the year 2019 -20. Also, the meal fee has been excluded from the FRC fees and hence the meal fee payable is also mentioned therein.
5. As you are aware in terms of the order date 12/04/2019 passed by the Honourable Supreme Court the fees already paid and collected is made subject to the final outcome of the proceedings in the Supreme Court and the school is collecting the fees in terms of the order passed by the FRC dated 20/03/2020.
6. You are requested to pay all due fees at the earliest. This will assure us that your ward will be continuing with us for the academic year 2020-21.

Those who are neither paying the fees nor asking for the instalment facility for fee payment shall be assumed to have the intent of NOT continuing in the School.

We seek your cooperation and look forward to having our students back in School at the earliest.

Best wishes,

Suprabha Menon
Principal
